#### 04. Reports

**Members are asked to consider the following reports:**

- a. **Shropshire Councillor Ritchie-Simmons** (DT) drew attention to the tourist information consultation issued by Shropshire Council earlier today, highlighting the need for Highley to be specifically referenced within the consultation. Reference was also made to areas for works around the Netherton Lane area of the village.
- b. **Policing Report PC Jade Ives** attended the meeting to introduce herself and outline recent structural changes within the Safer Neighbourhood Team (SNT). She reported that PCSO Miller has transferred to the Wenlock SNT and confirmed that warranted officers will continue to provide support to Highley.

**Inspector Damien Kelly**, South Shropshire Safer Neighbourhood Team, was welcomed. He explained that his role involves covering the larger villages of South Shropshire, alongside ten towns and two major villages (Highley and Albrighton). Inspector Kelly discussed current policing figures in relation to local priorities and noted that a neighbourhood policing grant has enabled the appointment of an additional sergeant and seven constables. This is expected to strengthen service delivery in the new year, with improved supervision and a more dedicated police presence.

He highlighted that officers within the team bring significant experience in emergency policing. The approach taken is to identify the top four priorities from the 249 common issues across the area and apply high-intensity targeting, unconstrained by geographic boundaries. Since June, the South Shropshire SNT has seized drugs with a street value of £1.4 million, excluding operations undertaken by CID and other departments. Inspector Kelly emphasised that the team remains highly proactive.
